

# 2009 - 2010 Annual Association Report

## How Your UEA Dues Are Spent

## What UEA Does For You

**UniServ & Local Association Programs (49.7%):** UEA dues returned to support direct member services through the forty-one local education associations statewide.

**Program Services & Administration (33.3%):** The UEA organization is staffed with experts in employee law, bargaining, public relations, legislative lobbying, research, member advocacy, teaching and learning, and associate staff support services.

**Building Operations (5.9%):** Pays for the operation of the UEA Headquarters, including equipment, maintaining meeting and office space, printing, and postage for member publications.

**Strategic Goals I-IV (4.8%):** Supports the strategic goals of the Association, including: building a strong statewide network of effective local associations through membership and leadership development; ensuring a quality school for every student through legislative action, the campaign for increased school funding, community outreach, and events like Read Across America; and protecting the rights of educators through legal services and bargaining.

**Governance, Meetings & Convention (6.3%):** Supports the UEA President, Vice President, and UEA Board of Directors in setting policy and guiding the organization; paid for Association leadership meetings, including the House of Delegates, Council of Local Presidents, Leadership School, various committees, and professional development opportunities like the UEA Convention.
