

**BLOOMIN' SPRING IDEAS  
FOR THE "WHOLE MEMBER"  
EXPERIENCE!**

Remember *Teacher Appreciation Day* on May 4.

Contact all potential members during the **Early Enrollment Program**, beginning April 1.

Make sure all members vote during **GEA/UEA** and ratification elections.

Be sure to personally and publicly thank your building **Association Volunteers**.

**ATTEND HOUSE OF DELEGATES** on April 24.

Ask retiring members in your building to "replace themselves" in the Association.

**Hold AR elections prior to the May AR meeting.** If someone is joining you in the work or replacing you, be sure to bring him/her with you to that meeting.

Make a list of all the things you do during the year. Then talk to Association Volunteers for the next year. Let them know what specific things you need done, so they can work on it over the summer if they so desire.

Make sure you contact all potential members about Early Enrollment one more time before you leave for the summer.

***Membership is not an event—it is a commitment!***
