

# UEA Student Program

**We Are the Present,  
We Are the Future**

**Who** makes up the UEA/NEA Student Program?

We are 60,000 members strong in more than 1,100 college/universities in all 50 states.

**What** is the UEA/NEA Student Program?

We are your professional organization. We promote and foster professional development through training, peer mentoring, pre-professional opportunities, and leadership development.

**When** are these Trainings and Workshops?

The UEA has a statewide conference in October. There are many other smaller trainings throughout the year. The NEA has two national conferences each year (June and November).

**Why** become a UEA/NEA Student member?

Membership provides you with \$1 million in liability coverage while you are student teaching. Along with the training and the professional development, your membership brings you great discounts on everyday purchases such as dining and auto services.

**Where** are the local members?

There are local members in all of the major universities in Utah, e.g. University of Utah, Brigham Young University, Utah State University, Weber State University, Westminster College, and Utah Valley University.

**How** do I become a member?

Just fill out the membership form on the back and return it to the UEA with your membership dues. You can also join online at [www.nea.org](http://www.nea.org). (Ask us about dues rebate.)
