

# Elections Announcement 2022

The Granite Education Association announces elections and encourages all interested members to run for office. As a member of GEA, you have an opportunity to be actively involved and be a voice for teachers and our Association.

You may run for only one (1) Board position. Board members and officers elected by the general membership qualify as voting delegates at the Representative Assembly (RA)\* and as a delegate to the UEA House of Delegates.

If you are interested in being involved, but not on the Board of Directors, you can run for the Representative Assembly Delegate position. Members elected by the general membership to attend the RA qualify as voting delegates to the RA, the governing body of NEA. Elected delegates travel to the RA during the summer to make policy for the NEA.\*

We will email your statement and picture (see below) to building reps with the elections materials. Please plan to attend the AR meeting on Weds., November 10th and be prepared to make a short campaign speech.

\* GEA Board members' travel to the RA is funded in the middle year of their term of office. Among members elected as delegates to the NEA RA, the top two vote-getters will have their travel funded.
