Agenda

What might be discussed this year?

Topic	Details
Dues Payment Schedule	Our ability to collect Association dues through payroll will be ending in 2026. It will take us multiple years to move all of our members to a bank withdrawal method. In preparation for doing so, GEA is asking UEA to allow for us to continue to collect dues over two withdrawals a month.
UEA Budget	The annual amount of UEA dues is based on a formula that is tied to the average teacher salary. As our salaries increase, so does the amount of UEA dues.
School Safety	GEA members have contributed to work done throughout this past year, specific to school safety and guns. Their recommendations will likely result in language to guide UEA's ongoing work around this.
